

Interpreting Your MTLE Score Report

1 Subtest Status

If you received a scaled score of 520 or above, you will receive a “Passed” status. If you received a scaled score below 520, you will receive a “Not passed” status. To pass the entire test, you must pass each subtest.

2 Your Subtest Score

The total subtest score is based on the number of raw score points earned on each section (multiple-choice section and constructed-response section); the proportion accounted for by each section, if applicable; and the scaling of that score. Raw scores are converted to a scale of 400 to 600.

3 Passing Score

To pass each subtest, you must obtain a minimum passing score of 520 or above.

4 Subtest Diagnostic Information

Diagnostic information is provided for all subareas of the subtests taken on the test date indicated. Refer to the test framework for a description of subarea content.

5 Multiple-Choice Information

Performance on each multiple-choice subtest is based on the number of questions answered correctly; points are not “lost” for wrong answers.

6 Constructed-Response Information

Scorers judge the overall effectiveness of each response using a score scale and a set of performance characteristics. Refer to your score report and the preparation materials for more information.

7 Performance Indices

Performance indices provide information on your performance on each multiple-choice subarea and constructed-response assignment and may help you assess your strengths and weaknesses.

8 Reporting

Your results are automatically reported to the Minnesota Professional Educator Licensing and Standards Board. The Minnesota institution(s) listed receive your results as you indicated during registration.

9 Passing Status Summary Report

This section lists each subtest you have passed to date and the date you passed the subtest. Each subtest you have taken but did not pass is noted as “Not Passed.” Each subtest you have not yet taken is noted as “Not Taken.”

Passing Status Summary Report		
As of: 04/02/2023		
Subtest	Status	
MN NES Essential Academic Skills I: Reading (188)	Passed 03/10/2023	
MN NES Essential Academic Skills II: Writing (189)	Passed 03/10/2023	
MN NES Essential Academic Skills III: Mathematics (190)	Passed 03/10/2023	

*Please note that you may also be responsible for submitting a copy of your score report with your license application.

Your passing status is based upon the passing standards in place on the date you tested. The Minnesota Professional Educator Licensing and Standards Board (PELSB) reserves the right to review and make changes to the minimum passing scores for the Minnesota Teacher Licensure Examinations (MTLE) at a future date. Licensure applicants must meet licensure requirements, including the minimum passing scores for the required MTLE tests, which are in effect at the time of license application.

This barcode contains unique candidate information

10 Competency-Level Reporting

This section provides information at the competency level for both multiple-choice and constructed-response performance.

11 Multiple-Choice Performance

The multiple-choice performance section provides the number of questions associated with each competency, and the percentage of those questions that you answered correctly.

12 Constructed-Response Performance

The constructed-response performance section provides the maximum number of points associated with the competency and the score that you received.
